Synopsis:

Plot:

Ash and his companions are continuing their adventure on route to Olivine City as they make their way to the pond nearby, the gang are a bit tired of walking, they decide to take a break, and share some snacks with each other. While they are chatting and eating, Jonah and Avery were talking about their story by knowing each other during their youths, while Avery questions the gang about how they met Jonah, which they say they meet him right after Ty and Raye started their journey with Jonah telling Avery that Raye protects him cause she's important person that he cares, Raye agrees with him while they asked Avery about her Pachirisu, which Avery caught her since she began her adventure and promised to train her so she can face anyone including the gang into a battle and compete at any league tournament with Ty doing the same thing after he collects the gym badges to compete, they all agree.

During their chatting and eating their snacks, Teddiursa noticed a pokemon from the distance, which revealed to be a Farfetch'd, Ty examines on his pokedex and plans to catch it just as Farfetch'd noticed him, Farfetch'd angrily yells at Ty, keeping away from him, much to the gang's confusion until a teenage trainer appears, attempting to catch Farfetch'd with his pokeball but misses it as Farfetch'd hits the pokeball with his leek stalk and runs away but the male trainer chases Farfetch'd in circle until he fell by tripping into a small rock. Max asked the trainer if he was okay, to which he replied that he was trying to catch Farfetch'd as he stood up, fixing himself after falling. He was introduced as Reed to Ash's team, they all smiled and greeted him. Sakura asked Reed about why he chased Farfetch'd, he reveals that plans to catch Farfetch'd for his team while Ty asked which pokemon he has, Reed

reveals that he has Mightyena with him and tells the gang that he came from Hoenn, like May and Max is, Ash recommends Reed to persuade Farfetch'd to join his side, which he will try to do it. Reed tried his best by telling Farfetch'd to join his team as he approached the wild duck pokemon, but Farfetch'd backs away still refusing at Reed's request and flies up to the tree.

Just as they try to call Farfetch'd, a pack of wild pokemons Pinsir and Kabutops appears surrounding the gang, without wasting any time, they battle the wild pokemons with Reed assisting them. A Pinsir takes out Rockruff with his X-Scissor but Jonah tells Rockruff dodge and strike Pinsir with his Tackle, which is success, but Rockruff was attacked by Kabutops with Slash until it was saved by Pachirisu and Psyduck with their attack together against Kabutops while Farfetch'd watch them up to the tree, still refusing to help, Espeon and Snowy attacked another pair of Kabutops with Psybeam and Powder Snow but misses it as Kabutops attacks both Espeon and Snowy with Mud Shot, Pikachu strikes Kabutops with his Electro Ball by Ash's call, saving both Snowy and Espeon while Mightyena takes out another Pinsir with his Thunder Fang, however, two Kabutops prepares to attack Mightyena from behind, luckily, Totodile and Squirtle takes them out with Water Gun together while Teddiursa takes another Kabutops with his Fury Swipes.

During the battle, Farfetch'd is still standing up the tree who still refuses to help the gang fend off against the wild pokemons, May tells Glaceon to use Ice Beam at Pinsir, but misses after dodging it and counters Glaceon with its Double Hit, but Mightyena helps them by attacking Pinsir with Crunch, but unfortunately, a Kabutops knocks Mightyena, Pikachu, Eevee, and Teddiursa with Brine, with the gang on their situation of their battle, the gang begs Farfetch'd to help them or they will lose the battle, Farfetch'd looks away until he realized his behavior from early, suddenly, Farfetch'd jumps off from the tree, knocking out both Kabutops and Pinsir with Air Cutter.

With Farfetch'd joining the fight, he counters a pair of Pinsir with his Aerial Ace, then Reed tells Mightyena to use Fire Fang, which is effective successfully against Kabutops, finally, Ash tells Pikachu to use Thunderbolt at the wild pokemons, the battle was over, Ash's team wins the battle and the pack of Pinsir and Kabutops retreated. As the gang were happy for winning, they thanked Reed for his help while he thanked Farfetch'd for helping just in time until Farfetch'd allows to be on Reed's team which he uses his pokeball, successfully catching Farfetch'd. As the sunset begins, the gang bid a farewell to Reed and continue their respective journey.
